

To all:

It is with much regret that I announce that we will not be able to field a Varsity team this year. Unfortunately the numbers were not there and there were not enough players to move up to fill in the holes.

All seniors are eligible to participate in the league draft. Anyone interested, please contact me and I will send you a cut slip to present to the league.

We will be putting on the ice both a Freshman and JV teams that will be competitive.

I will need all players to register with USA hockey as soon as possible. These will be submitted to the league and I required in order for all players to step onto the ice.

All new players must submit to me, a copy of their birth certificate. I will be reaching out to all new players regarding jersey numbers and sizes. I will need responses right away so that the jerseys are ready for the start of the season.

Any JV player that was not selected, has the option to go into the draft and play for another team. If you wish to do so, please contact me and I will send you a cut slip to be submitted to the league in order to participate in the draft.

All Freshman players that were not selected, have 2 options. Freshman players go into a pool. As teams come to league needing players, players are assigned to that team from this pool. The other option is to be a practice player and skate with the team during Sunday practices sessions.

Please feel free to contact me with any questions, concerns, etc.

Thank You
